1.	Comment. The re-occupation of Rautsen-Litten airfield by trainer aircraft was previously reported	725X1
	reported were previously observed at Cottous airlieud	
	where the aircraft had vellow propeller hubs. It is believed that the	
	aircraft were transferred from Cottbus to Hautzen-Litten.	
_		
2	Comment. According to previous information, one or two hangars were	
	under construction at Bautzen-Litten air field. The construction of a third	
	hangar has as yet not been confirmed	25X1
